

## **Bill Brockway Sr.**

### Head Maintenance Mechanic

Bill moved to Thornbury with his family in November of 1987. Bill was hired on as our licensed mechanic and started working for the Peaks on December 5, 1987. Bill has held a full time year round position with the Peaks since then and has had the opportunity to work in all aspects of Outside Operations.

Over the past 27 years, Bill has participated in furthering education, certification courses and manufacturers' maintenance seminars directly relating to lift installations, maintenance and repairs. Bill & his team maintain and repair all our lift & mobile equipment. Bill has completed both phases of the lift mechanics certification as required by the T.S.S.A. and industry standards.
