

Darrell Dennis

Operations Manager

Darrell was born and raised in the Beach, located in the south/east end of Toronto. He was introduced to the Collingwood area in 1975 when his parents semi-retired to the area.

Darrell returned to the area in the spring of 1982 after having worked in Toronto as a musician and ski/sports technician for a few years. Looking for a winter job to offset his summer employment, it was suggested he apply for a Ski Patrol position at Blue Mountain Resorts. Although only having skied a handful of times, Darrell was up to the challenge.

For the winter of 1982-83, Darrell was hired on as a Paid Ski Patroller at Blue Mountain Resorts and was involved with the early development of risk management practices in the emerging litigious environment.

In the winter of 1984, Darrell was assigned to Georgian Peaks on behalf of Blue Mountain to assist with the volunteer patrol organization. This meant that Darrell had the opportunity to ski The Peaks every mid-week day they were open for the next few seasons. His fondness for the terrain grew rapidly.

Darrell became a full time employee at the Club in the fall of 1987. Since that time Darrell has been involved with all facets of the operation here at The Georgian Peaks Club.
