

Position – Snowschool Supervisor – Seasonal – 2017/18 season and beyond

As the program leader, the Snow School Supervisor will be a mentor to teaching staff working with Alpine Program participants aged 7-16 across multiple disciplines. Reporting to the Program Director, this position supports the goals and development of our club's athletes in training using the Long Term Athlete Development (LTAD) model as a guide.

Responsibilities -

- Coordinating day to day operations of Georgian Peaks Snow School, House League and Freestyle Programs, including:
 - On and off snow instructor staff training
 - Administration; attendance, email lists, parent communication, class lists/switches, instructor requirements, etc. (Excel and Word experience necessary)
 - Review and design of program structure and curriculum
 - Quality control of lessons and programs
 - Tracking staff attendance and performance; staff training as per club policies
 - Private lesson bell and teaching where required
 - Support for club and program events

Requirements -

- Certification in CSIA with advanced staff training experience. Preference to candidates with CFSA (or equivalent park certification), CSCF and CASI designation
- Excellent interpersonal skills
- Ability to adapt to unexpected situations and a fast-paced environment
