

## **THE GEORGIAN PEAKS CLUB**

**Job Title:** Freestyle Terrain Team - Attendant

**Job Category:** Operations Department

**Reporting:** Freestyle Terrain Team Leader / Area Manager

**Status:** Full Time / Seasonal

---

### ***Summary:***

The Terrain Park Team Attendant is responsible to assist and follow the direction of the Freestyle Terrain Team Leader with the day to day management, maintenance, construction, monitoring and park pass safety program of all resort freestyle terrain.

The Terrain Park Team Attendant will follow all direction and duties assigned by the Area Manager in respect to all aspects of the Freestyle Terrain requirements, including times scheduled for breaks and lunch times.

Freestyle terrain includes, snow cross track, air bag & terrain park(s).

### ***Essential Duties and Responsibilities:***

- To build, finish and maintain various terrain features to specific specifications within the guidelines of the Georgian Peaks Club Management, operations team and Snowboard & Freestyle Director
- Assist with the monitoring of Terrain Park Pass Safety Awareness program for both staff and guests.
- Performs continuous maintenance on snow features and rails/boxes for each of the resort's freestyle terrain areas.
- Works closely with the Area Manager, Ski Patrol Director & Freestyle Team Leader.
- Monitoring and fixing any and all equipment & features
- Assist in organizing and executing events and competitions taking place in terrain park
- Making safety the number one priority — making sure that everyone is conducting themselves appropriately in the workplace and educating the members, guests and employees in the park
- Guest relations and assisting ski patrol in accident situations
- Maintaining a clean and organized site at all times
- Daily upkeep of all fences, signage, hit markers, jumps, rails and everything that falls into the freestyle terrain park boundaries.
- Completion of daily documentation & log books.

Other duties will be assigned as needed.

### ***Required experience, skills & certifications:***

- Ability and necessary experience to construct and maintain various terrain features made of snow to meet the needs at The Georgian Peaks Club
- The ability to be outside no matter what the weather conditions are —rain, snow, wind, cold
- Work closely with Freestyle Director and Area Manager in order to perform required tasks
- Good interpersonal skills, team environment skills and ability to follow instruction in a positive manner.
- Good people management skills are an asset. Keeping everyone happy is key
- Communication skills, with team, team leaders and superiors
- Guest service knowledge and skills to communicate with Club members & guests on a professional level.
